

PROPOSED AGENDA

Date: Friday, 24 July 2026

Venue: Virtual

Duration: 60 Minutes

- 5 minutes: Introduction and Proposed system overview.
- 40 minutes: System demonstration.
- 15 minutes: Questions and clarifications.

1. Opening and Introductions.

- Opening remarks and introduction of the Press Trust team.
- Introduction of the vendor's demonstration team.

2. Overview of the Proposed Solution.

- Brief overview of the system, architecture and implementation approach.

3. End-to-End System Demonstration.

The vendor shall demonstrate the proposed Scholarship Management System using the Press Trust scholarship business process and show how the solution satisfies the functional and non-functional requirements outlined in the Software Requirements Specification (SRS). The demonstration should include, but not be limited to, the following:

- Capturing beneficiary details received from the Ministry of Education.
- Beneficiary profiling and scholarship activation.
- Processing school fees, reimbursements and student entitlements.
- Monitoring academic performance and beneficiary progress.
- Managing continuation, warning and termination decisions.
- Reporting, dashboards, user roles, approvals and audit trails.

4. Questions and Clarifications.

The vendor must demonstrate the actual proposed system, a functional prototype or a working demonstration environment. PowerPoint slides or other presentation materials may only be used briefly for introductions and explanations and will not be accepted as a substitute for a live system demonstration.

5. Evaluation Requests

The Evaluation Committee may request the vendor to demonstrate any additional functionality contained in the SRS that is not covered during the vendor's presentation.

The demonstration forms part of the final evaluation process and does not constitute or guarantee the award of the contract.
